San Francisco's favorite full-service daylight photo studios

Directions to LUX-SF Studios

The street address for LUX-SF is 2325 3rd St. The front door is **unlocked** from 7AM to 6PM Monday through Saturday. Outside of these hours, and on holidays, dial 089 on the keypad at 2325 3rd St. Listen for the "click" that indicates the door has been unlocked.

Take the elevator to the 3rd floor (not 3R), and proceed down the hall, keeping to your right and continuing to the end of the longest hallway. We are in suites 344, 346, and 347. Please look for signage in the hall to indicate in which suite your shoot or event is being held.

Free, unlimited street parking is available on Illinois St. between 20th and 22nd Sts., and on many of the surrounding blocks, but these spots tend to fill up by 7 AM every day except Sunday.

Paid parking is available Monday-Saturday for \$16/day, or \$6 for 2 hours, in the IMPARK lot behind the building at 901 Illinois St.
